*The Weekend before
Thanksgiving!*

Come spend the day, the entire weekend, or just a few hours. The Portsmouth Holiday Arts Tour will enrich your mind and rejuvenate your spirit!

Free and open to the public. Work will be for sale and custom orders are welcomed!

Watch for tour signs with numbers and balloons as you follow the map to each home studio. All of the artists will be available to discuss their work and answer any questions you may have. The unique atmosphere created by the tour will offer you a special look into the life of the artists. You will have the opportunity to learn about the techniques used by each artist and craftsman to transform such diverse materials as clay, metal, fabric, paint, glass, and paper into wonderfully handcrafted works of art.

For more information about this free self-guided tour, please call 603-436-3818, or any of the participating artists. Our website will also have general information and written directions.
